# COVID-19 Survey

---

If Yes, how?

- We are seeing a reduction in revenues/sales
- We are experiencing employee absences due to voluntary self-quarantines
- We are experiencing employee absences because we're encouraging them to work from home – but staff are still working
- We are experiencing employee absences because they must look after children (whose schools have closed) or loved ones who are ill
- We have reduced our staff due to the difficulties of running the business due to loss of customers or other reasons
- We are experiencing disruptions in the services/supplies/materials we depend on to run our business (like imported products, contractor availability, other services etc.)
- We are experiencing cancellations of important meetings, gatherings or events that we depend on
- We have had to cancel our own meetings, gatherings or events
- We have had to temporarily/indefinitely shut down our office(s)
- We are postponing or cancelling staff travel
- We are unable to move or ship our own goods due to disrupted supply chains
- We are experiencing a decrease in demand for products and services
- We are experiencing an increase in demand for products and services
- Heightened public fear/caution is causing customers to avoid our location or services
- Other

If *Other*, please explain

- Poor
- Fair
- Good
- Excellent

What can different levels of government, financial institutions or others do to support your business during COVID-19?  
(Please select your Top 3)

- Cut interest rates
- Consider bigger economic stimulus package
- Work with banks/lending institutions to offer zero-interest loans, loan guarantees, or lines of credit
- Be more flexible around timelines for tax remittances (eliminate late remittance penalties)
- Provide funding and incentives for technology to support remote work for staff
- Allow for delayed municipal property tax payments without penalty
- Provide business advisory and technical guidance
- Eliminate taxes on medical equipment and supplies
- Incentives for import-export of essential supplies
- Speed up government payments (to vendors, contractors etc.)
- Suspend loan payments
- Provide payroll tax breaks
- General tax credits and cuts
- Wage replacement for employees
- Create resources for employees that must self-isolate
- Provide resources for employees that will get laid off
- Enhance economic development efforts to support local businesses
- Other

If *Other*, please explain
