WHAT IS SUPPORT LOCAL BC?

We are a non-profit program built to support local, independently-owned businesses across the province while they weather the financial pressures caused by the COVID-19 pandemic. To date, we have put over \$425,000 into the hands of local businesses.

WHY SHOULD YOU PARTICIPATE?

With the holiday season approaching, you might be looking for ways to celebrate with your staff while adhering to pandemic health regulations. Since you won't be able to hold large office dinners and events, we suggest that you provide your team with a way to buy gift certificates from their favourite local businesses.

STEP 1: PLACE A BULK ORDER

Contact us via email to request a bulk order specifying the number of gift cards and dollar values.

STEP 2: RECEIVE YOUR GIFT CARD CODES

You will receive your unique gift card codes and corresponding dollar values via csv file which you can then email to your staff, team or volunteers.

There is a \$1.50/card fee with payment by cheque, EFT or etransfer. An additional 2.9% will be charged if you choose to pay the invoice by credit card.

STEP 3: USE GIFT CARDS ON THE SUPPORT LOCAL BC WEBSITE

Support Local BC gift cards can only be used to purchase gift certificates for specific businesses listed on the [Support Local BC](#) Shopify store. They cannot be used directly at a business.
